

# FLINCK

## DINNERMENU

OPEN 18.00-22.00

The menu is inspired by the Jospers grill oven. Our passion and experience, together with this amazing oven, made sure that Café Flinck has become de pijp's best BBQ & Grill restaurant.

Jospers is a charcoal oven that, because of the high temperature and high pressure, ensures the best preparation of meat, fish and vegetables. The Jospers gives a unique flavor to every product that's being prepared in this oven. In combination with high quality and fresh products we offer you a wide choice for a delicious evening at Flinck.
